Description: The Bible

The Bible is the guide for your life. It tells you who God is and how you are to relate to Him and other people. You can read other books, but the Bible is the only Book that reads you.

Scripture: Psalm 119:105

“Your word is a lamp for my feet and a light on my path.”

Story: Headlights

Imagine that you are at home one night and you want to get in your car and go to the store 5 miles away. You get in and turn your headlights on and they shine from your driveway to the store 5 miles away without you moving, right? NO! Your headlights will shine just in front of you so that you don't run into anything! The Bible is like your headlights – it's not a book that you pick up once in a while or when things are going bad. Rather, it's the GUIDE for your life everyday! It lights the path in front of you, showing you what to do and how to live. It's what keeps you out of the ditch!

Toolbox Overtime:

Psalm 119:9-11, Psalm 119:130, 133, 2 Timothy 3:16, Hebrews 4:12, Matthew 7:24-27
