Description: The Compass

There are moral standards that do not change with time. The standards of truth and morality come from a higher source than the rules and habits of a culture. They come from God Himself.

Scripture: Proverbs 3:5-6

“Trust in the Lord with all your heart, and do not rely on your own understanding; think about Him in all your ways, and He will guide you on the right path.”

Story: Bat Spins

Have you ever played the game where you stand up a baseball bat and put your head on the end of it and spin around it real fast and then try to run? Your head is still spinning and you can't run in a straight line! So many people's lives are this way and they have no standard of right and wrong and are spinning out of control. If you were lost deep in the woods with nothing but a compass, you could get out alive IF you trust your compass. God's Word, The Bible is that compass. Our culture is constantly trying to redefine right and wrong...like spinning around on a baseball bat. God's Word and Truth never changes! You can trust it to take you through life, and give you wisdom for every decision you will face along the way. Don't go through life dizzy and lost, trust God's word is truth!

Toolbox Overtime:

John 14:6, John 8:32, Psalm 25:5, Psalm 86:11, Psalm 119:160, Proverbs 14:12
