Description: Screwdriver

The lesson of the screwdriver is to be aware of the pitfalls of pornography and any kind of sexual activity outside of marriage between a man and a woman.

Scripture: 1 Corinthians 6:18-20

Run from sexual immorality! "Every sin a person can commit is outside the body." On the contrary, the person who is sexually immoral sins against his own body. Don't you know that your body is a sanctuary of the Holy Spirit who is in you, whom you have from God? You are not your own, for you were bought at a price. Therefore, glorify God in your body.

Story: The fishing lure

Any good fishing lure looks just like good food to a fish. He sees the juicy looking bait as real and satisfying food. What the fish doesn't see is the hook. Everything about the lure looks desirable and tasty, but there's a hook in it! Sexual sin is the same way – pornography and sex outside of marriage look so enticing and delicious, but the consequences of both are ruined lives and relationships. The power of sin is in its secrecy. Sexual sin is usually the most secretive and destructive of all sins. Once confessed and repented of out loud, great freedom from the hook is found! This freedom is found in Jesus as one repents of this and finds accountability in godly friends who are in the same battle, but not giving in and not giving up. Its time to see the hook!
